Passage group is a family company founded in 1983 in Pancevo, Serbia, and since then it works in textile industry. During the years, company became a well known brand in Serbia. Now it has more than 110 employees and it produces female apparel. Fashion house has two collections a year, spring/ summer and autumn/ winter. Company consists of design studio, production line, wholesale and retail network. The collections are made for an urban business woman. Beside "Passage" collections, our fashion house produces uniforms and clothes for the promotional activities.

Company's vision is creating a surrounding which is motivational for its employees and creating extraordinary results by using synergy as the most important thing. We appreciate family values, mutual respect, responsibility towards individual, team and society. We strive for excellence and we believe in the things we do.
