VIBA Fashion Group is an intermediary company established since October 2009 (own production for men shirts since September 2010) for logistic and production, a bridge between foreign clients (brands) and Macedonian producers.

VFG is placed in Stip which is the heart of the textile industry in Macedonia.

The company offers the ability of a wide range of cooperation (CM, CMT, Full Package Service,etc).

Therefore, the company gives / foreign partners the unique possibility to produce in Macedonia, which guarantees lower costs,satisfying quality and European products.

VFG has full control of the entire production process, from design to production and logistics.

So You can always be assured of superior quality and punctual delivery. We make and deliver more then 10 different collections per season.

In cooperation with our international team we follow new trends in classic, original,chic and practical clothing, with a superb fabric, cut and fit, suitable for every occasion.

Service :

VFG together with other subcontractors have well trained personnel in several departments.

- ***The designing department in Vibateks daughther company of VFG creates patterns, grades and does fitting markers;***
- ***The technical department controls and examines the quality of the production;***
- ***Warehouse receives and separates all the deliveries for the production facilities.***
- ***Subcontractor for fabrics, accessories(labels,buttons,zipper, yarns, interlining,polybags, ect)***

- ***Also subcontractor for printing, washing, embroidery, dying, crashing and transport***
